Ken,

I have spoken to several people (to include Watauga County District Attorney's Office, NC Attorney General Office and NC State Bureau of Investigations) in regards to an investigation by Boone PD into the matter of Judicial and Counselor misconduct in your case heard in Watauga County. All agencies are in agreement that Judicial and court officials have absolute immunity in cases that they hear and rule on. Please look at this website <https://benchbook.sog.unc.edu/sites/benchbook.sog.unc.edu/files/pdf/Judicial%20Immunity%20Mar.%202015.pdf> as it seems that criminal absolute immunity would be in place.

While speaking to a defense attorney, they thought if you should to pursue this matter on the civil end. If you would contact a civil attorney and speak to them about your situation. They can explain how to go about the civil suit.

As far as Boone PD, there will be no criminal investigation conducted in this matter. Further more, there will be no more correspondence from officials from Boone PD in regards to this matter.

Email correspondence to and from this address is subject to public records requests pursuant to the North Carolina Public Records Law, resulting in monitoring and potential disclosure of this message to third parties.

Hi Danny,

A counselor does not have immunity. Lyric Fitzgibbons is not a member of the court. She was psychologically operating on my daughters brain for over 16 months even after she was instructed she has to get consent from both legal parents. A doctor does not have the right to operate on a minor without the express consent of both parents with legal custody.

As for you saying a judge can sexually molest a child and he has immunity is insane. <http://www.apa.org/news/press/releases/2014/10/psychological-abuse.aspx>

Now if you are refusing to file Child abuse charges against Lyric Fitzgibbons, than I need a Complaint form for your department and a statement from everyone you have spoken to and copies of your discussions.

Please supply names, times spoken, and a taped copy of the discussion.

Hi Mr. Ward,

I forwarded this email chain for you to read. At this point I would like to file a complaint on the Boone Police Department for refusing to file psychological child abuse charges.

I am also attaching a link from the APA that explains Psychological Child Abuse is as harmful as sexual or physical abuse.
<http://www.apa.org/news/press/releases/2014/10/psychological-abuse.aspx>

This does put Boone Police Department at risk for refusing to do it's duty to protect and serve.

Thank you

Mr. Ward,

It has now been over a week and I have not heard anything back from my last email to you.

We are talking about child abuse and town officials that are refusing to file reports in an attempt to cover it up.

I have asked to file complaints with the Town of Boone Police department.
I have also asked for details with whom **Danny Houck references in his email.**

I do not want to assume that your lack of response is complicit with child abusers and you encourage child abuse due to the fact that the Town of Boone police refuse to take charges seriously and refuse to file them.

In the town of Boone it seems that Judges take bribes from attorney firms: (<http://www.childabusivejudges.com/judge-hal-harrison.html>) Yes it is on record that Judge Hal Harrison took Bribes from Eggers, Eggers, & Eggers and Rebecca Eggers was my Ex's attorney. Imagine that! I can only start putting pieces together that as Town Manager and the Town of Boone Police department money flows down hill.

Now once again, I would like to file complaint charges against the Town of Boone Police department.

Your response or lack thereof, says a lot.

Copies sent to media outlets.

Hi Dana,

I have sent emails and tried to file child abuse charges with Danny Houck.

This is an email chain with his response. I have also included the town manager John Ward and received no response.

I would like to know if you and the town of Boone backs up Danny Houck response with denying to file child abuse charges and you refuse to let me file complaints against your department.

once again have included media outlets to this email

Hi Ms Cook & Ms Deyton,

**1. It has now been 6 days since my initial request for the internal affairs contact.
Once again may I please have the internal affairs contact.**

2. I expect a response directly from Seth Banks The district attorney that he refuses to speak to me directly and is aware that his district has refused to file Child abuse & domestic abuse charges.

On this page:

<http://www.ncdistrictattorney.org/24/home.html>

Statements about Seth Banks:

It is the duty of this office to represent the State with integrity and professionalism, while protecting victims and their rights, in the pursuit of justice.

Your District Attorney

Seth Banks grew up in Yancey County on a farm that has been in his family for five generations. Seth graduated from Mountain Heritage High School and attended N.C. State University. Seth graduated from the Wake Forest University School of Law and began working as an Assistant District Attorney. Seth has extensive experience in all aspects of prosecution, from serious assaults and murder to breaking and entering, trafficking of drugs, and crimes against children. His commitment to excellence in his work has earned him the reputation of being a tough but fair prosecutor who is highly regarded by those who have worked with him. In recognition of his skill, expertise, and experience in the area of North Carolina Criminal Law, Seth has been certified by the North Carolina State Bar as a Specialist in State Criminal Law. Seth is married to his high school sweetheart, Gretchen. They have a 3 year old, David, and a 6 month old, Luke, and reside in Burnsville. Seth was appointed as District Attorney in the 24th Prosecutorial District by the governor in June, 2014. In November, 2014 Seth was elected to a full term as district attorney.

The Department of District Attorney: Seth Banks Department has shown a lack of integrity and professionalism. Seth Banks department has gone out of their way denigrate victims and strip them of their rights. Seths Department protects child abusers and encourages domestic violence. Seth encourages crimes against children and has a department that thrives in doing just that.

I am tired of being given the runaround and playing games with your department so, please forward this directly to Seth Banks. I expect a response directly from Seth Banks shortly.

Sincerely,

Kenneth R. Gottfried
