No, to the County "Council" Commissioners "approval," but I do need to ask - when and with whom did you "file" the original report(s)?

Note too that we have had a Command Staff change here in the CI Unit (Criminal Investigations Unit).

I have cc'ed the District Attorney, the County Attorney, the Chief Deputy, Captain of the CIU, the Captain of Patrol and Security, and the County Manager.

Hi Len,

Thank you for your response,
I have spoken with the NC DSS and Hugh Harris, Attorney General Josh Stein's legal council. I was told to file charges through your office.

Are you saying that you are waiting on the county council before filing my reports?
I would like to have this clarified.

As far as civil, I am not ready to take that up yet.

Thank you.

Sorry, but I was out of town until today.

Kenneth,

I hear you and I think I understand your plight, but understand that I have to rely on the County Attorney and the District Attorney, regarding any legal guidance, and as such, must follow their direction and counsel.

I am not an attorney, but from what I understand, your queries are, at best, civil in nature - notwithstanding that allegations are naming State Employees (Judge and District Attorney), and perhaps those associated with Appalachian State University.
